WARRANT

To Asbury C. Bowie, a Constable in the Town of Baldwin, in the County of Cumberland: Greeting:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the said Town of Baldwin, qualified by law to vote in town affairs, to assemble at Grange Hall, West Baldwin, in said town, on the twelfth day of March, 1928, at ten o'clock in the forenoon, to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a Town Clerk, Treasurer, Tax Collector, Constable, Auditor, and Road Commissioners for one year, and one member of the Superintending School Committee for three years, and Selectmen for one, two, and three years, as provided by vote of town at its Annual Town Meeting, March 8th, 1926, and all other necessary town officers for the year ensuing.

Art. 3. To see if the town will grant and raise such sums of money as may be necessary for the maintenance and support of schools and the poor, repairs of roads and bridges, miscellaneous town charges, officers' compensation, repairs of school buildings, for textbooks and supplies, common school tuition, high school tuition, for Memorial Day, for cutting bushes, and to defray all other town charges for the ensuing year.

Art. 4. To see what sum of money the town will grant and raise for patrol and 50-50 machine work of State Highway, "Pequawket Trail."

Art. 5. To see if the town will vote "yes" or "no" on the question of appropriating and raising money necessary to entitle the town to State Aid, as provided in Section 19, of Chapter 25, of the Revised Statutes of 1916.

Art. 6. To see if the town will vote to appropriate and raise the sum of $2,665.00 as provided for State aid under Section 21, Chapter 25, Revised Statutes, "Five Times Act" so called, for the improvement of the section of State Aid road as outlined in the report of the State Highway Commission, in addition to the amount regularly raised for the care of the ways, highways and bridges, it being five times the maximum amount allowed under Section 18, Chapter 25, Revised Statutes.

Art. 7. To see if the town will appropriate and raise the sum of $533.00 for the improvement of the section of State Aid road as outlined in the report of the State Highway Commission, in addition to the amounts regularly raised for the care of ways, highways and bridges; the above amount being the maximum which the town is allowed to raise under the provisions of Section 18, Chapter 25, of the Revised Statutes of 1916.

Art. 8. To see if the town will vote to have one or more road commissioners for the ensuing year.

Art. 9. To see how much the town will vote to pay the Superintending School Committee for the year ensuing.

Art. 10. To see how much the town will vote to pay its Road Commissioners per day and fix the price of labor and teams on the town highways per day for the year ensuing.

Art. 11. To see what sum of money the town will vote to grant and raise to be expended and used for advertising the natural resources, advantages, and attractions of the State of Maine.

Art. 12. To see how much the town will vote to pay its Collector of Taxes for the ensuing year.

Art. 13. To see if the town will vote to authorize its Selectmen to have some timber cut from the Town Farm for the construction of buildings or to pay for building bridges, if advisable, or act anything relative thereto.

Art. 14. To see if the town will vote to pay the tuition for the school year 1928-1929 in excess of $60.00, as prescribed by law for tuition of a student attending a standard high school or academy in another town, or to reimburse a parent or a guardian on presentation of their receipt to the Superintendent of Schools, who has already paid said excess tuition.

Art. 15. To see what sum of money the town will vote to appropriate for Town Patrol established by vote of town at its Annual Town Meeting, March 14, 1927.

Art. 16. To see if the town will vote to appropriate and raise the amount of $60.00 to defray expense of health nurse.

Art. 17. To see what sum of money the town will vote to appropriate and raise for the cutting of bushes on our State Highway, State Aid, and Third Class Highways.

Art. 18. To see what sum of money the town will vote to raise and appropriate for the maintenance of State Aid road, "Bridgton Road" so called.

Art. 19. To see if the town will vote to raise and appropriate the amounts paid for cutting bushes as authorized by town vote at its special town meeting.

Art. 20. To see if the town will vote to appropriate and raise $900.00 for overdraw for equipping the new schoolhouse at East Baldwin.

Art. 21. To see if the town will appropriate a sum of money to purchase one or more tractors, the cost of which not to exceed ten thousand dollars ($10,000.00). Of said sum, $5,000.00, or one-half, to be raised at this meeting, and Selectmen authorized to hire balance as needed.

Art. 22. To see if the town will vote to raise and appropriate $1,500.00 for lease of tractor and plow.

The Selectmen hereby give notice that they will be in session for the purpose of revising and correcting the list of voters at Grange Hall, West Baldwin, at nine o'clock in the forenoon on the day of said meeting.

Given under our hands at Baldwin this twenty-seventh day of February, A. D. 1928.

J. O. SANBORN,

F. E. WOOD,

BURTON H. HARMON,

Selectmen of Baldwin.

Nelson Judkins was taken to Norway March 10, 1927, and bill of $77.55 for his support paid by the Town of Norway.

In March several cases of scarlet fever developed in North Baldwin, causing a quarantine of several families, whereby Percy Keaton, Clifford Thorne, and Frances Wilson called for quarantine supplies. Clifford Thorne was furnished aid to the amount of $76.80, said amount has been paid by the Town of Limington. Frances Wilson received aid to the amount of $65.22. Percy Keaton received aid while under quarantine and continued to receive aid after quarantine was lifted, and in July was taken sick and died, leaving a widow and eight small children. In August the overseer of Greenwood came for them and they refused to go and refused further aid. The Town of Greenwood paid for their supplies, amounting to $484.30 and officers' fee of $18.30. Arthalinda Haines, widow of Willis B. Haines, fell in distress and received aid to the amount of $406.79. She stated if she could get to South Dakota, where she had a son, she could take care of herself. We thought it wise and sent her and her two children. After trying hard to find settlement for her and failed, we took it up with the proper committees of the State and after about two months of negotiation we received from the State the amount of aid given her, $406.79. Nancy Hoyt has had the care of Zilpha Rowe at $7.00 per week.

Respectfully submitted,

J. O. SANBORN,

F. E. WOOD,

B. H. HARMON,

Overseers of the Poor.

REPORT OF BLISTER RUST CONTROL

904 Washington Ave.,
Portland, Maine,
February 3, 1928.

Board of Selectmen, Baldwin, Maine:

Gentlemen: — The following is a summary of the White Pine Blister Rust control work in your town for 1927:

Number of co-operating owners completing eradication,	25
Number wild currant and gooseberry bushes destroyed,	18,414
Number acres eradicated by owners with town assistance,	810
Per acre cost of eradication to town,	$00.27

Town foreman: Arthur Kenison.

State scout: Manley R. Adams.

With the completion of this year's work, the initial control program in Baldwin has been completed. We want to stress to every pine owner the importance of keeping the currant and gooseberry bushes out of his pine lot in the future. Every possible assistance will be given the pine owners of your town to keep this disease in control and any individual desiring assistance should write to this office or to the State Forestry Department at Augusta.

We appreciate your effort in raising money to carry on this work and we also appreciate the effort of pine owners in Baldwin who have so willingly given their co-operation.

Respectfully submitted,

SOLON D. CONNER, Agent.

FINANCIAL STATEMENT

Cash in the hands of the Treasurer, Feb. 20, 1928,	$8,969.26

You will note that on February 19, 1927, we had cash to the amount of $18,443.45, of that amount $6,000.00 was money held for building a schoolhouse at East Baldwin and the building of Depot and Burnell bridges, so-called. We found that by including Warren bridge, so-called, with the others, we could save the town approximately $2,0000.00 and not exceed the appropriations for bridges more than $130.48.

We thought it wise and did so, thus saving the town, we believe, of $2,000.00. Deducting the $6,000.00 above mentioned we would have had $12,443.45 on Feb. 19, 1927.

We have paid in excess of appropriations for bridges,	$ 130.48	
For equipping East Baldwin Schoolhouse,	818.61	
For building East Baldwin Schoolhouse,	137.31	
Lease of tractor and plow, including freight,	1,621.00	
For cutting bushes on State aid and third class highways,	977.36	
Totalling,		3,648.76

This money was provided for by vote of the town at special and annual town meetings, authorizing its Selectmen to borrow if necessary. They deemed it unnecessary, thus saving the town the expense of interest on this amount of about $218.93.

Amount in excess as stated above added to the amount in the treasury, Feb. 20, 1928, would have shown a balance of $12,618.02 on February 20, 1928.

The board has worked in perfect harmony and the other officers have co-operated in every way and we wish to thank them for their courtesy. We feel much pleased at what has been accomplished in the past year and wish the next board success.

Respectfully submitted,

JOHN O. SANBORN,
FRANK E. WOOD,
BURTON H. HARMON,
Selectmen of Baldwin.

SCHOOL REPORT

SUPERINTENDENT'S REPORT

To the School Committee and Citizens of Baldwin:

I hereby submit my annual report as Superintendent of your schools.

To fill the vacancies occurring at the close of the spring term the following teachers were secured: No. Baldwin School, Miss Gladys Hunter; Pigeon Brook, Harry Sanborn; West Baldwin Primary, Miss Florrie Wright.

Teachers Employed	*Position*	*Education*
Mrs. Gladys Cartrett	E. Baldwin Grammar	Normal
Mrs. Mabel Giles	E. Baldwin Primary	Normal
Harry Sanborn	Pigeon Brook	Partial College Course
Miss Florrie Wright	W. Baldwin Primary	Normal
Mrs. Annie Cram	W. Baldwin Grammar	High School
Miss Stella Clary	Burnell	Normal
Miss Gladys Hunter	North Baldwin	Normal

You will note that five of the seven teachers employed are normal graduates. Training and the teacher's good sense both play their part in determining how school work shall be carried on. When good sense prevails, whatever is worthwhile in new ways is accepted without letting go of the good in the old.

Several matters are before the teachers as lines along which to seek improvement, such as physical education, now included in the law of school requirements. A better training in civic affairs, better teaching of reading as fundamental to better work in language along all lines. In this connection more attention is being given to school libraries. Heretofore books of this sort have been included with textbooks. Now each school should have a small but growing library.

East Baldwin Primary has already started its library with a nucleus of twenty standard books, purchased with money raised by the teacher and pupils.

One thing that impresses a student of school expenditure is the narrow limits within which the school board can control outlay.

The average annual salary in the State for women teachers in elementary schools for the past year was $815.65. The average annual salary of teachers in the town of Baldwin for the past year was $712.00.

In order to obtain and keep good teachers, obviously salaries cannot be lowered. It takes about so much wood

each year and the price is fixed by someone else, and the same close limitation will be found all through school accounts.

This year we are able to report the completion of the new two-room school building at East Baldwin. This was made ready for occupancy at the beginning of the fall term. This building, erected according to State plans, is well located on a good lot with ample space for playground, but we wonder if the citizens of Baldwin realize that the present condition of these grounds makes it altogether unsafe for the children to approach the building when the ground is covered with ice. Therefore, it is absolutely necessary that these grounds be graded before another winter. This two-room building enables us to have two teachers and a well graded system. Few realize the amount of time and energy put forth by the school board to complete this project.

New books and supplies have been added as fast as our appropriation will allow. New hygiene books for the seventh and eighth grades have just been purchased. Modern maps of Europe have been placed in the schools. The rate at which our schools will advance depends to quite an extent upon the books, supplies, maps, and charts that they are given.

There is an unusually fine class of children in the Town of Baldwin and all money spent on their education is money well spent, for "wise expenditure is true economy."

The following Palmer Method Awards have been earned during the year: Palmer Method Buttons, Avis Judkins, Roland Warren and Donald Frost.

WARRANT

To Asbury C. Bowie, a Constable in the Town of Baldwin, in the County of Cumberland, Greeting:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the said Town of Baldwin, qualified by law to vote in town affairs, to assemble at Grange Hall, West Baldwin, in said town, on the eleventh day of March, 1929, at ten o'clock in the forenoon, to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To choose selectmen, town clerk, treasurer, tax collector, constable, auditor, and road commissioners, for the ensuing year, and one member of the superintending School Committee for three years, and all other necessary town officers for the year ensuing.

Art. 3. To see if the town will grant and raise such sums of money as may be necessary for the maintenance and support of schools and the poor, repairs of roads and bridges, miscellaneous town charges, officers' compensation, repairs of school buildings, for textbooks and supplies, common school tuition, high school tuition, for Memorial Day, for cutting bushes, and to defray all other town charges for the ensuing year.

Art. 4. To see what sum of money the town will grant and raise for patrol and 50-50 machine work of state highway, "Pequawket Trail."

Art. 5. To see if the town will vote "yes" or "no" on the question of appropriating and raising money necessary to entitle the town to state aid, as provided in Section 19, of Chapter 25, of the Revised Statutes of 1916.

Art. 6. To see if the town will vote to appropriate and raise the sum of $2,665.00 as provided for state aid under

Section 21, Chapter 25, of the Revised Statutes, "Five Times Act," so-called, for the improvement of the section of the state aid road as outlined in the report of the state highway commission, in addition to the amount regularly raised for the care of the ways, highways and bridges; the above amount being five times the maximum amount allowed under Section 18, Chapter 25, Revised Statutes.

Art. 7. To see if the town will appropriate and raise the sum of $533.00 for the improvement of the section of the state aid road as outlined in the report of the state highway commission, in addition to the amounts regularly raised for the care of ways, highways and bridges; the above amount being the maximum which the town is allowed to raise under the provisions of Section 18, Chapter 25, of the Revised Statutes of 1916.

Art. 8. To see how much the town will vote to pay the superintending school committee for the year ensuing.

Art. 9. To see what sum of money the town will vote to grant and raise to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine.

Art. 10. To see how much the town will vote to pay its collector of taxes for the ensuing year.

Art. 11. To see if the town will vote to authorize its selectmen to have some timber cut from the town farm, the returns to be used to help defray the expense of building bridges.

Art. 12. To see what sum of money the town will vote to appropriate and raise for town patrol established at its annual town meeting, 1927.

Art. 13. To see what sum of money the town will vote to appropriate and raise for the cutting of bushes on our state highway, state aid, and third class highways.

Art. 14. To see what sum of money the town will vote to raise and appropriate for the maintenance of state aid road, "Bridgton Road," so-called.

Art. 15. To see what sum of money the town will vote to raise and appropriate for snow removal for the ensuing year.

Art. 16. To see if the town will vote to discontinue the rental of all watering tubs in town.

Art. 17. To see if the town will vote to raise and appropriate the sum of $150.00 for grading the school yard and road at the East Baldwin schoolhouse.

Art. 18. To see if the town will vote to appropriate the sum of $7,261.10 for the building of the five bridges: Parker Bridge, so-called, Pigeon Brook Schoolhouse Bridge, Folly Bridge, Breakneck Bridge, and Heath Bridge. The above sum being the state's estimate of the cost to town if the five bridges are built in one year, being 11.8% of the total cost, or 18.8% less than the cost of building said bridges separately.

Art. 19. To see what sum of money the town will vote to raise for the building of the five bridges, Parker Bridge, Pigeon Brook Schoolhouse Bridge, Folly Bridge, Breakneck Bridge, and Heath Bridge, and to instruct its selectmen to hire the remaining amount necessary.

Art. 20. To see if the town will vote to raise and appropriate a sum of money to be used by the West Baldwin Cemetery Association for the improvement of the cemetery at West Baldwin.

Art. 21. To see if the town will vote to raise and appropriate money to improve the county road leading from the Douglas Hill road to Sebago line by the residence of George Davis.

Art. 22. To see what sum of money the town will raise and appropriate to buy snow fence.

The selectmen hereby give notice that they will be in session for the purpose of revising and correcting the list of voters at Grange Hall, West Baldwin, at nine o'clock in the forenoon on the day of said meeting.

Given under our hands at Baldwin this twenty-fifth day of February, A. D. 1929.

Selectmen of Baldwin.

Unexpended balance, Feb. 20, 1928,	$618.03	
Appropriation,	200.00	
Received from:		
Town of Phillips, acct. Norman Webber,	5.15	
Zilpha Rowe, on account of board,	260.00	
		$1,083.18
Overdrawn Feb. 20, 1929,		$196.71

In June the Keaton children, with the exception of the oldest and youngest, were taken by the state. Mrs. Keaton married again, thus ending their account. The expense of transporting them to Saco should be paid by the town of Greenwood, but has not been as yet. Leland Sanborn's settlement is in the town of Standish, and that town has agreed to pay all bills drawn to date. Mrs. Bemis' bills will be paid by the town of Hiram, but they did not get in in time to collect before closing the books. With these bills all refunded it would leave us an unexpended balance of $15.61.

Respectfully submitted,

FRANK E. WOOD,

FRED A. WARD,

JOHN CARTRETT,

Overseers of the Poor.

AUDITOR'S REPORT

I have examined the accounts of the selectmen and treasurer and find the orders drawn by the selectmen have been paid by the treasurer, the accounts agreeing perfectly. Both sets of books have been kept in a very neat and businesslike manner.

Auditor.

SCHOOL REPORT

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens of Baldwin:

I hereby submit my annual report as Superintendent of your schools:

Our schools opened in September with the following teachers: Burnell, Miss Stella Clary; West Baldwin, Mrs. Ida Spencer Ward; Pigeon Brook, Mr. Harry Sanborn; East Baldwin Primary, Mrs. Mable Giles; East Baldwin Grammar, Mrs. Gladys Cartrett; North Baldwin, Miss Gladys Hunter.

Owing to the small enrollment, the School Committee deemed it advisable to combine the two rooms at West Baldwin, and at the opening of the year in September Mrs. Ida Ward, a former member of Farmington Normal School faculty, was employed to take charge of the school. Mrs. Ward has had excellent training and many years of successful experience in the schools of Maine and Massachusetts. At the last Legislature a law was passed whereby the pupils who are children of transient residents may be conveyed to school at the expense of the State upon recommendation of Dr. Thomas, State Commissioner of Education. Last year we received from the State $252.50 for conveyance of this kind.

Few realize the amount of money needed for textbooks and supplies. Our U. S. histories are out-of-date, and, since the State Department advises us to stress the subject of reading, both oral and silent, we need much more material for supplementary work. School supplies furnished are as follows: Rank cards, paper of all kinds, maps, globes, chalk, colored wax crayons, stationery, drinking cups, paper towels, pens, ink, brooms and brushes, wash basins, water pails, pencils, writing books,

erasers, rulers and plan books. For several years past our appropriation for textbooks and supplies has been $300.00. We find that this sum is too small to make the necessary changes in textbooks and to furnish the required material for supplies. Therefore we are asking for an increase of $100.00. It is absolutely necessary that we have a sufficient amount of money to furnish material adequate to our needs.

The State Department has made an effort to get entirely aside from the old stereotyped form of examination which we have been accustomed to use for students completing the elementary schools, and considerable pains have been taken to modernize these questions. The reading test was the Haggerty test that was used two years ago for the freshmen in high schools. These reading tests we are required to send to the State Department for examination.

Since these questions are entirely new to the pupils, it is not strange that some become confused or excited and fail to do justice to themselves. Before the next examination pupils will be given the Standard Achievement tests, which have proved useful in classifying pupils just entering high school.

We have been fortunate this year in having the services of the two Cumberland County health nurses, Mrs. Dougherty and Miss Fortin. The report rendered by them is as follows:

Number of pupils enrolled,	127
Number of pupils examined,	112
Number of pupils 10% underweight,	44
Number of pupils 20% overweight,	6
Number of pupils with defective vision,	12
Number of pupils with defective hearing,	5
Number of pupils with defective teeth,	84
Number of pupils with enlarged tonsils,	44

Whole number with defects,	89
Whole number without defects,	29
Notices sent to parents,	89
Health talks to pupils,	12

The town of Baldwin has a corps of well-trained teachers. Of the six employed, one has had two years' college training and the remaining five are normal school graduates. They are all good community workers, and during the year they give much valuable time.

The East Baldwin schools have recently purchased an expensive set of reference books and made other additions to their library. Moreover, during the year several fine entertainments have been given by the children.

The Burnell School received the prize for the best display of handwork offered by the Grange at their annual fair.

Asa and Valeria Kimball, of the Pigeon Brook School, took the first and second prizes at the freshman prize speaking contest of Hiram High School. The West Baldwin pupils are active in the work of the School Improvement League and are holding meetings regularly every Friday P. M.

All holidays have been observed with appropriate exercises.

During the year the North Baldwin pupils, under the leadership of Miss Hunter, have held several social affairs at the schoolhouse. We consider work of this kind highly commendable in all rural communities.

On Friday afternoon, Sept. 14, 1928, a meeting of the teachers of Hiram, Baldwin and Sebago was held at the Mt. Cutler schoolhouse. Seventeen teachers and two visitors were present.

Mrs. Ida Ward gave an explanation of the Standard Intelligence Tests now being used in most seventh and eighth grades. Mrs. Mildred Dow read a communication

from Dr. Thomas in regard to the appropriate observance of Constitution Week. The Cumberland County health nurses, Mrs. Dougherty and Miss Fortin, explained the health inspection work they are carrying out this year.

A splendid demonstration of the Beacon System of Reading was then given by Miss Smith of Boston. Mr. Ross, of Ginn & Company, and Mr. Smith, representative of Primary Plans, were also present. As all the grade teachers of this district were in attendance, everyone felt this to be a most helpful meeting.

Two of our teachers attended the Maine Teachers' Association in Bangor; they all attended the Saco Valley Convention at Brownfield; all were present at the local meeting at Hiram; three attended the Cumberland County convention held in Portland in January.

This shows a good professional spirit.

Twenty-four pupils from our town are attending secondary schools, as follows: Wilbur Black, Kenneth Burnell, Beatrice Cook, Marion Cook, Mildred Cook, Muriel Cook, Alfred Guimont, Frank Harding, Cornish High School; Maud Jewell, Lester Jewell, Porter High School; Miriam Chase, Fryeburg Academy; Mary Ridlon, Arline Burnell, Lucretia Decker, Raymond Murch, John Lord, Richard Black, Potter Academy; Marguerite Guimont, Mt. Merici Convent; Roland Warren, Linwood Hoyt, Winona Warren, Eva Wood, Standish High School; Asa Kimball, Valeria Kimball, Hiram High School.

I wish to call your attention to the tabulations at the close of this report. The number of weeks listed is rather misleading, for the school year is reckoned from July to July and each school is maintained 36 weeks only. This tabulation represents the fiscal year.

The following Palmer Method Awards have been earned during the year: Palmer Method Buttons: Howard Smith, Laura Judkins, Lloyd Smith, Alice Sawyer, Bernice Dyer, Arlene Sawyer, Ernest Chadbourne, Fred Smith, Carey Cartrett, Franklin Burnell, Roy Wood, Robert Graffam, Vernon Dyer, Beatrice Briton, Mona Buzzell, Eleanor Wood.
